

2021-2022 In-Person Learning Plan

Joshua Academy is pleased to offer students in-person instruction at 100% capacity, five-days a week for the 2021–2022 school year.

This Return to In-Person Learning Plan was developed to provide a safe, secure learning and working environment for all -- safe not only in the physical environment, but also in the social environment.

As part of the new school calendar, there are 4 Virtual Learning days to allow staff to engage in professional development.

Joshua Academy’s School Board and Administration will continue to rely on data provided by the Center for Disease Control (CDC), Indiana State Department of Health, and Vanderburgh County Health Department.

The Principal has authority to make adjustments to the in-person instruction plan. Executive Orders from the Governor or Emergency Orders from the local health department may require measures that alter plan designs previously approved by the School Board.

Note: This plan is designed to meet criteria for the Return to In-Person Instruction Plan, as required by the US Department of Education as a part of ESSER III funding.
